2025-2026
Strive for Excellence

Message from Head of School

A Year of Joy, Growth and Gratitude

As we turn the pages of another remarkable year at SSIS, I pause to reflect on an extraordinary journey. The 2025/26 academic year has been filled with growth, resilience, kindness, and profound achievement. From the first day of school to our final celebrations, I have felt immense pride and deep gratitude for every member of our wonderful community. You have made this year unforgettable, and I thank you from the bottom of my heart.

To our dedicated staff, I thank you. Your commitment to excellence has been the cornerstone of every success we celebrate. From curriculum innovations to meaningful partnerships with parents, you have ensured every student feels seen, supported, and inspired. I am delighted to congratulate Ms. Shireen Naidoo on her appointment as Senior School Principal, and I am also excited to welcome a new IBDP Coordinator who will work alongside the internal leadership of the Senior School. My deepest appreciation also goes to our Core Leadership Team, Ms. Billie Leong, Mr. Tony Rampton, Ms. Kiza Draut, and Mr. Daniel Inns whose vision and collaboration have turned strategic aspirations into everyday realities for our students and staff.

Our SSIS students continue to amaze me. From our youngest learners discovering joy through drama, to our Senior students navigating IB and IGCSE programmes with determination and courage, you have truly shone. Your enthusiasm for learning has been infectious. International Friendship Day, our musicals, and the excellence of our Sabres teams in swimming, golf, and ACAMIS sports have showcased the very best of SSIS: diversity, unity, and excellence. You have made us so proud.

I also must recognise and thank our PSG and all our families. The success of International Friendship Day, Teacher Appreciation Week, our International Family Bazaar, and countless celebrations would not have been possible without your enthusiastic support. Seeing you volunteer and celebrate alongside us has been one of the greatest joys of this year.

And finally, to every single person in our community who made this year memorable, thank you for believing in us and for making SSIS such a joyful place to learn and grow. Our journey is far from over! We are ready to step boldly into our next chapter. I wish you a restful, joyful summer break, and I cannot wait to welcome you back for another season of learning, laughter, and meaningful connection.

Stronger Together,

Mr. David Shirley
Head of School

Class of 2026 - You did it!

As you flip through these pages and close this chapter of your life, know that watching you grow has been one of the greatest joys for us. From nervous Grade 7's who couldn't find their classrooms to the confident, capable young adults you are today — you have come so far. You've survived exams that felt impossible, friendships that taught you everything, and my occasional 'inspirational' assembly speeches. As you step into the world, remember this: be brave enough to chase your dreams, kind enough to lift others up, and wise enough to never take yourself too seriously. The future is bright, slightly unpredictable, and very lucky to have you. We are incredibly proud of you. Go make the world a better, bolder, and more interesting place. You will always have a home here at SSIS. "Let us make our future now, and let us make our dreams tomorrow's reality." — Malala Yousafzai
